

Digital Homework Planner (DHP) : Cookie Policy

DHP uses cookies to identify different users. Cookies are sent to your browser and stored on your computer's hard drive. Cookies help us to make sure your experience with DHP is good, and helps us to improve where possible. You can instruct your browser to disable cookies, by changing your browser settings. However, if you do not accept cookies, certain parts of DHP may not be available or perform properly.

Here is a list of the main types of cookies we use:

1. **Strictly necessary cookies:** These are essential in order for the DHP system to operate fully. Without these, certain parts of the DHP system may not function properly.
2. **Performance Cookies:** These cookies collect information about how visitors use a website, and monitor performance. They help us to provide a high quality user experience by ensuring we can quickly identify and fix any issues that arise.
3. **Functionality Cookies:** These cookies allow the website to remember choices you make (such as your user name, language or the region you are in). For example, these cookies can be used to remember changes you have made to text size, fonts and other parts of web pages that you can customize.

Third Party Cookies

We may use third party cookies to help us with market research, revenue tracking, improving site functionality and monitoring compliance with our terms and conditions policy.
